

Contract and Land Management Presents...

Alternative Project Delivery in the City of Austin

As part of an on-going series of informational events, the City of Austin Contract and Land Management Department, Contract Procurement Division, is hosting an information session to review the City's Alternative Project Delivery program. Staff will review the different methodologies (Construction Manager at Risk, Design-Build, Competitive Sealed Proposal, and Job Order Contracting) and the advantages and disadvantages of each. Additionally, staff will discuss how the City is using each methodology.

The event will be at City Hall, 301 W. Second St., on Tuesday, January 12th - 1p.m. to 2:30 p.m. in the Boards and Commission Room. Bring a lunch and learn about the process!

For questions, please contact 974-7181 (Contract Procurement Division) or send an email to Contract.Procurement@ci.austin.tx.us.

Future sessions are being scheduled! Here's what's on the horizon...

- February (Wednesday, February 17th - One Texas Center - 3rd Floor Training Room)- *Topic: TBD*
